Show Details and Safety Rules:

Guests:

- Max of 4 spectators per student. All clients and guests are required to wear masks upon entering, sign-in using the Health Links Screening Questions and use hand sanitizer provided. Guests are asked to maintain 2 m spacing from other household groups in the facility.
- One adult is allowed to help students in the barn with tack-up and with costumes, all other spectators must remain in designated viewing areas

Locations:

To allow for adequate viewing areas for guests due to COVID-19 regulations, **all classes will take place in Arena 1**, and the warm-up ring will be Arena 2. Guests are welcome to view from inside Arena 1 (entering through the green door inside the office) or from the upstairs viewing area. Please maintain 2 m spacing between different household groups.

Awards:

Ribbons for 1st through 3rd place will be given out after each class. A special prize will be available for the costume contest in each level, along with lots of fun Halloween candy give-aways. **Students can only compete in one costume contest or pumpkin jumping class if they register in more than one Level**

Costumes:

Costume contest can be done mounted or leading horse in hand with no saddle. Don't forget to decorate both your horse and yourself! Washable face paints are acceptable. You can view past costumes on our Facebook or Instagram pages by looking through past photos/posts.

Additional Notes for Students:

The Warm-Up Ring Coach and Judge will be available to assist students through patterns and courses if they need help. The goal is to have fun, as well as, prepare and educate students about horse shows. Students should not be intimidated if it is their first show – there will be lots of help available!

There will be different coaches and judges working shifts throughout the day for the different Levels.

Trail Classes:

All students will be given a chance before the trail class starts to try the obstacles once with the warm-up ring coach. See attached pattern for rules. The Trail Class will be the last class for the Walk-Trot-Canter Level and the first class for the Walk-Trot Equitation Level, then will be taken down for the rest of the show.

What is pumpkin jumping?

Open to all abilities, your horse must walk, trot or jump over a consecutively shorter row of pumpkins. We start off with a row of 7 pumpkins. If your horse refuses or hits the pumpkins you are eliminated. Successful attempts move on to the next round with 5 pumpkins, and so on until we get to just 1 pumpkin!

What are the hunter and jumper jumping classes?

For each jumping class, competitors will have to go through a course of 7 to 8 poles or jumps laid out in the arena. The pattern for the jump course will be posted on the day of the show in the barn and warm-up ring. Students will need to memorize what order the jumps are in before entering the ring. Hunter classes are judged on the rider's ability to handle the horse and get through the course cleanly. Jumper classes are timed and based on speed and clean jump rounds.

What are barrels?

Barrels are a fun, timed event. You must complete the pattern around the barrels in the fastest time to win. You can choose either a left or right barrel start. There is time deducted for knocking over a barrel and you are disqualified if your horse crosses the start/finish line before completing the pattern correctly.

Dressage Tests:

Students can use the full arena for dressage tests. Students can memorize the test, or, they can have a “caller” help them out. The caller can read only the wording written under the “Test” column in the dressage test, and can read (or Call Out!) each section only once the previous section is completed. X is the middle of the arena, the rest of the letters are posted on the arena walls.

Notes on Dressage and Equitation Classes for the afternoon classes:

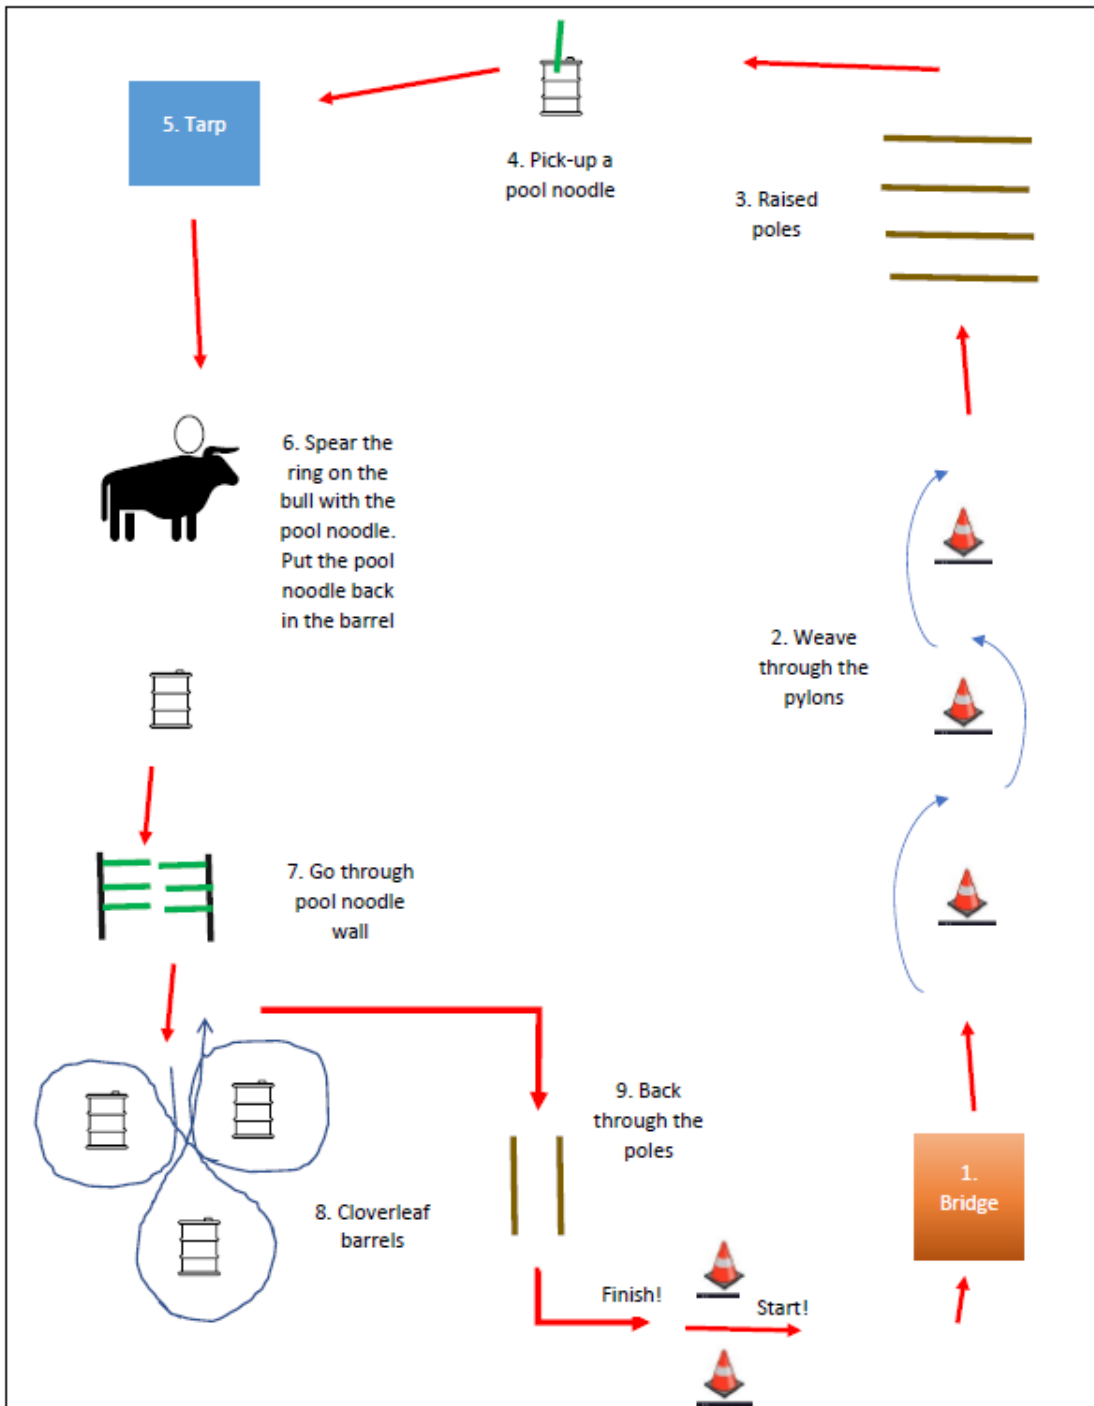

The Equitation pattern for the Beginner-Novice Hunter Class is designed to work around the jump course so as to remove only a few jumps to allow students to complete the pattern, while leaving the jump course in tact for the next Level classes. So there will be jumps set up in the arena when you are completing your equitation pattern, just FYI. All jumps will be removed from the ring before the Dressage Test for the Novice-Intermediate Dressage Level.

If you have any other questions about the show, please don't hesitate to ask us! Email us at lessons@sagehillstables.com.
